

## GROUP STRUCTURE DIAGRAM

### Active Utilities Retail Pty Ltd

Active Utilities Retail sits within the larger Embedded Network Holdings company with Active Utilities Pty Ltd as the management and control arm of the larger group. As Active Utilities was purchased in September 2023 by Prime Super Australia group consolidation is a key strategic initiative over the coming 12 months. Below we demonstrate the current company operating structure and the end state operating structure of the group by July 2025.

### Final Company Operating Structure
