

Submission Against TCV Getting Extra Powers Or Licences.

People in the path of VNI West have been treated terribly by TCV. They won't continue to put up with it and neither will I. They are deceptive and dishonest. They prey upon the vulnerable and isolated. They tell lies about how much of the route they have permission for. I know that they have only a tiny amount of the 400kms of path with signatures. This tells you that you do not have community support for this white elephant. There will be huge unrest coming to your door if you grant these leeches any more power. This will make people desperate. Anything nasty that happens after that time will be on your hands. Can you sleep at night knowing you are the cause of peoples misery and misfortune?. You are a cruel (Redacted) if this makes no effect on how you feel.
