

DEAR SIR OR MADAM

I STRONGLY OBJECT TO YOU REDUCING FEED IN TARIFFS FOR SOLAR. YOU HAVE ALREADY SLASHED MY FEED IN TARIFF FROM 66C KWH TO 4C. TO REDUCE IT FURTHER IS UNCONSCIONSBLE.

I BELIEVE THAT INSTEAD OF REDUCING TARIFFS,, YOU SHOULD BE OFFERING INCENTIVES FOR HOUSEHOLDS TO INSTALL BATTERIES, SO THAT WE CAN STORE OUR EXCESS POWER FOR USE OUT OF HOURS.
