**Responses to Engage Victoria survey form:**

**What parts of our proposed methodology for setting the flat and time-varying minimum feed-in tariffs do you support? Q7**

None

**What parts of our proposed methodology should we change? Q8**

You need to consider how the people with solar will react.

You have not taken into account what the distributors should do.

**What alternative methodology should we consider for setting the wholesale price component? Q9**

You need to consider how the people with solar will react.

You have not taken into account the fact that solar is most productive during the months October to April.
